To whom it may concern,

My name is Alexandra Heckman and after visiting often during the past 20 years I recently made Cathedral City my permanent home. I have a passion for community involvement and history so when I saw your Facebook post looking for residents to get involved with the city committees I knew I had to reach out. Though I have no formal experience in civil involvement I have been a retail manager for over 20 years and am well versed in teamwork logistics, planning, communication, budgeting, and the like. I have great learning agility and I believe I can become an asset on any board or in any group due to my ability to learn and grow as I go. I am highly committed and am prepared to be involved and attend all meetings and functions.

Please consider my application for the Historic Preservation Committee. If that spot has been filled, please consider my application for any other need.

Sincerely yours,
Allie Heckman
