Title: Desert Recreation District (DRD) Presentation

RECOMMENDATION:

This is for presentation purposes only.

BACKGROUND:

Desert Recreation District (DRD) covers over 1,800 square miles and provides recreational services to approximately 300,000 residents, in part by working with municipalities in a collective effort to assure equitable service delivery to every community regardless of economic means.

DISCUSSION:

Desert Recreation District (DRD) will discuss current services available in Cathedral City and beyond, new programming on the horizon, and discuss various ways they've been able to partner with and elevate communities throughout the Coachella Valley, and how outdoor recreation can be a preventative tool to keep our youth active and away from negative outlets.

FISCAL IMPACT:

This is for presentation purposes only.
