Application for a position as Cathedral City representative to the Palm Springs International Airport Commission

I'm interested in serving on the committee to represent Cathedral City as the airport expands and its impacts on the residents of the city. As the airport expands the air traffic impact on the city greatly increase the noise level due to flight patterns. I want to be sure we are doing all we can to maintain a balance of quality of life with commercial growth.

I have served on several national, state and local boards of 42 years of community service. They include Board of Civil Authority, Justice of the Peace, Chair of the Board of Civil Authority, appointed to the Federal Commission of Federal Student Aid by the U.S. Senate, Chair the Historical Society, Vermont Human Rights Commission and currently serve as President of the Board of HOA 12 in the Cathedral Canyon Country Club. I retired as President and CEO of the Vermont Student Assistance for 25 years. I have extensive experience in debt financing and management.

Please contact me if you have any questions about my interest in Airport representative.
