**What Do You Ultimately Hope To Accomplish Through Your Proposed Art/Program/Event? How Will It Enrich Cathedral City?** (Describe your goals and objectives and how many people you hope to impact as a result of your project.)

5. The CCHS Band Program's ultimate goal is to provide all the students with the same musical opportunities to strive and succeed in their educational goals. Studies repeatedly show that children that play musical instruments were more likely to do better in other subjects in school such as, English, math, and science. For the last seven academic years, the CCHS students who achieved Valedictorian of their graduating class have also been members of the CCHS Band Programs. This funding would provide the programs the ability to assist the students and their families.

**If Your Art/Program/Event Costs More Than You Are Requesting From The Community Arts Grant Program, How Do You Plan To Pay For The Additional Costs?** (What Steps Have You Already Taken To Get Additional Funds Or In-Kind Support If Necessary?)

6. As stated before the CCHS Band Program relies heavily on donors, grants, fundraising and volunteers. We strive to grow the program every year with the assistance of the community and grants such as this one. Our program's number one-in-kind support comes from the enormous amount of volunteer hours put in by family members of the band students.

If So, How Do You Plan To Continue Paying For It?** (Describe the types of efforts you will undertake to raise funds as well as your/your organization's history of maintaining services/programs.)

7. Yes, we plan to continue the program beyond the period for which we have requested funds. As stated above our programs relies heavily on seeking grants, obtaining help from donor and local business to help with funds to run our program.

**(OPTIONAL) Is There Anything That You Would Like To Add? If So, Please Tell Us Here:**

8.

We want to thank you for assisting our program last year and hope to receive your support this year. Grants, such as this one, are so beneficial for our small community that strives to be the best and service our community at the highest level.
