Do you have community partners that will be involved in implementing this project? The C.C.P.I. will actively involve students and artists at each school site in creating these peace poles, which will serve as a visual reminder of our shared commitment to peace.</p> <p>A peace pole is a handcrafted monument that symbolizes peace and serves as a reminder to pray for world peace. The powerful message "May Peace Prevail on Earth" is inscribed on each side of the pole, usually in the country's language and several other languages. This message, penned in 1955 by Masahisa Goi of Japan, who was deeply affected by the destruction of World War II and the atomic bombings of Hiroshima and Nagasaki, symbolizes the unity of humanity, the desire for a peaceful world, and the need to act in a spirit of peace and harmony. A peace pole will be approximately 4" x 4" x 5'.</p> <p>This project is a testament to the power of collaboration. We are excited to work hand in hand with the Palm Springs Unified School District and S.C.R.A.P. Gallery, uniting our efforts to bring peace poles to our community.</p>

It sparks contemplation and conversation. Why not begin at our schools? Peace is more than the absence of war or violence. Positive peace provides the foundation for communities striving for strong economic performance, better measures of health and well-being, higher levels of inclusiveness, and an attitude of environmental stewardship. Two of the most critical factors that contribute to peace are acceptance of the rights of others and good relations with neighbors.</p>
