Dear: Dominique Camps
Associate Planner

SUBJECT: General Plan Amendment 24-001 (APN 670-130-014 and -015)

Thank you for the opportunity to offer input concerning the development of the above-identified project. We appreciate your sensitivity to the cultural resources that may be impacted by your project and the importance of these cultural resources to the Native American peoples that have occupied the land surrounding the area of your project for thousands of years. Unfortunately, increased development and lack of sensitivity to cultural resources have resulted in many significant cultural resources being destroyed or substantially altered and impacted. Your invitation to consult on this project is greatly appreciated.

At this time, we are unaware of specific cultural resources that may be affected by the proposed project, however, in the event, you should discover any cultural resources during the development of this project please contact our office immediately for further evaluation.

Very truly yours,

Jacobia Kirksey

Re: Tribal Consultation Pursuant to SB18 General Plan Amendment 24-001 (APN 670-130-014 and -015), City of Cathedral City

Dear Dominique Camps,

The Agua Caliente Band of Cahuilla Indians (ACBCI) appreciates your efforts to include the Tribal Historic Preservation Office (THPO) in the Mountain View Estates project. We have reviewed the documents and have the following comments:

- * Formal government to government consultation under California Senate Bill 18 (SB-18).
- * Please review the comments made on the ISMND.
- * Please add into the mitigation measures that landowner will relinquish ownership of all cultural resources.
- * An Agua monitor needs to be on-site during all initial ground disturbing activities.
- * There are Tribal Cultural Resources within a mile radius from the project site.

Again, the Agua Caliente appreciates your interest in our cultural heritage. If you have questions or require additional information, please call me at (760) 883-1137. You may also email me at ACBCI-THPO@aguacaliente.net.

Re: Tribal Consultation Pursuant to SB18 General Plan Amendment 24-001 (APN 670-130-014 and -015), City of Cathedral City

Dear Dominique Camps,

The Agua Caliente Band of Cahuilla Indians (ACBCI) appreciates your efforts to include the Tribal Historic Preservation Office (THPO) in the GPA 24-01 project. The project area is not located within the boundaries of the ACBCI Reservation. However, it is within the Tribe's Traditional Use Area. For this reason, the ACBCI THPO requests the following:

*At this time the concerns of the ACBCI THPO have been addressed and proper mitigation measures have been proposed to ensure the protection of tribal cultural resources. This letter shall conclude our consultation efforts under SB 18.

Again, the Agua Caliente appreciates your interest in our cultural heritage. If you have questions or require additional information, please call me at (760) 883-1137. You may also email me at ACBCI-THPO@aguacaliente.net.
