Hello Cathedral City Public Arts Commission,

I'm delighted to apply for the bench project in Ocotillo Park.

I became a resident of Cathedral City in August of 2022. Every day I find the desert's natural beauty awe-inspiring. I can't stop painting it. I would love to pay homage to the wonderful landscape and this welcoming city by participating in this bench mural project.

You will find the submission requirements attached.

Thanks for considering!
