RE: Ocotillo Park Bench Project-Statement of Interest

Coachellart would like to be formally considered for participation in the upcoming bench painting project at Ocotillo Park.

We've produced over (15) park bench painting projects for the City of Palm Springs in 2020-2021 and (1) bench painting project for Cathedral City at the main library grounds in late 2021.

With plenty of hands-on experience with outdoor public art projects, we'd also be happy to serve in any advisory capacity if any other artist needs assistance before or during the painting. We know all the ins and outs of completing this type of work during the summer months.

Thank you,

Patrick Sheehan  
Executive Director  
Coachellart
