Good afternoon, I'm submitting for the Ocotillo park benches. Here are my application requirements:

Resume:

Kellie Denise I'm an energetic and proficient muralist seeking to paint on as many benches as you'll give me! I am skilled at adapting my creative talents to any surface I'm working with, in an effort to beautify and enhance my community. My colorful, vibrant style strives to promote joyful play, inclusion and curiosity. I know my art will add to the experience at this park.

As a local born artist, I've been deeply immersed in the community and the arts since I was very little. I won my first art prize in first grade, received multiple awards and scholarships out of Cathedral City high school and currently have the honor of having paintings on the Ophelia Bringas Bridge, Idyllwild Library, Palm Desert City Hall as well as properties I've muraled being featured during Modernism Week. With over 2 dozen murals locally, including luxury vacation rentals, small businesses and public spaces, I'm always looking for my next art adventure and ways to give back to my community.

I would absolutely love to be considered for the opportunity to add some extra excitement and wonder to the Ocotillo park through artistic benches!
