Hi,

I'm Cheryl Curley, the artist's sister. I'm just helping her to get her entry in. She is copied on this email.

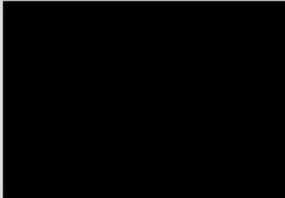

Thank you for the opportunity to feature her artwork.

Statement of Interest:

I saw the opportunity to create something wonderful for the park and show people my artistry

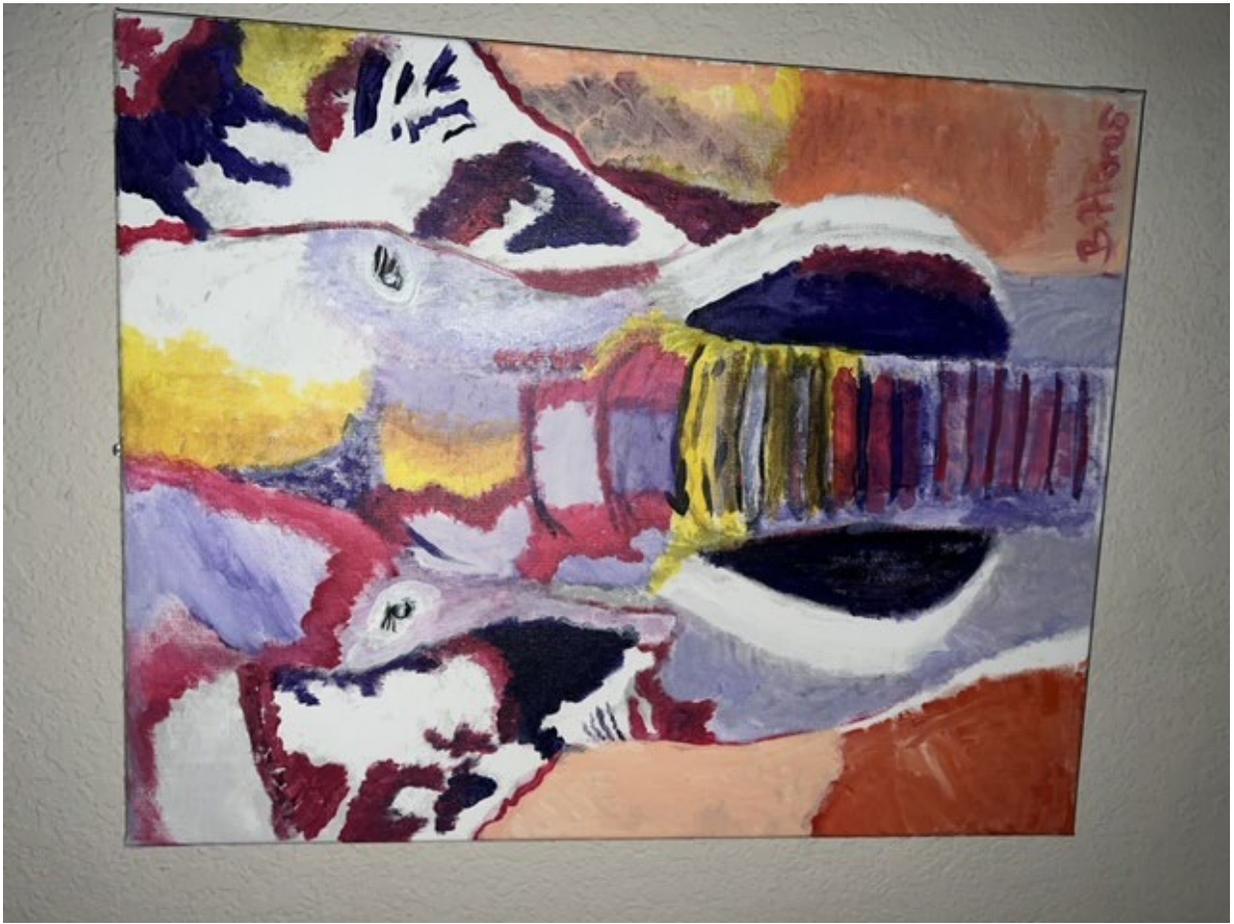

I created this work of art with lovers in mind...Giving them a bench of their own, to express their love for one another and to relax on.
