Cathedral City Public Arts Commission Seeks Painters, Muralists to Paint 23 Benches at Ocotillo Park

To The Communication & Events Manager,

In my pursuit of new creative endeavors, I was excited to find the Artist opportunity with Cathedral City Public Arts. As an artist with show cases at private studios in the Coachella Valley, I believe that I can bring valuable contributions to this event.

As a Cathedral City local artist, Inspired by my love for culture and community. I would love the opportunity to give back to our city by creating a one of a kind art piece. Filled with playful colors making it a place where families come take a walk in the park, and get a feel of my Hispanic roots. This bench will not only be colorful but it will also be memorable.

I will be incorporating playful colors of yellows, shades of teal, magentas and greens. Giving people the feel of the houses in Mexico, bright and welcoming. Making the park a place of comfort for families and friends. I will be adding flowers and "colibris" in English known as hummingbirds to remind people of our loved ones who are no longer with us, But here in spirit.

If given this opportunity not only will it be an honor, but also give me the drive to continue with the passion I have for creating art.

I have attached photos of my previous art pieces that will give you an idea of the items I would love to incorporate to the park benches.

Sincerely,
Natalie Lujan
