Dear Council Members,

I am honored to present myself as a candidate for the Cathedral City Historic Preservation Committee. With a diverse professional background and a deep commitment to our community, I am eager to contribute to the preservation of our city's rich heritage. My journey as a playwright, community activist, and business owner has equipped me with the skills and passion to usefully serve on this important committee.

My passion for historic preservation stems from a lifelong love of history and architecture. As a two-time Fulbright Scholar in playwriting I have spent years exploring the stories of people and places, experience which deepens my appreciation for the narratives that our city's buildings and landmarks embody. I believe that every structure in Cathedral City holds a piece of our collective memory, and preserving these spaces is essential to honoring our past while shaping our future.

As a former fundraising consultant for NYC non-profits I would bring 20 years of non-profit management and fundraising expertise to this committee, which I would leverage to expand preservation efforts by seeking additional funding to support both the committee's and the community's initiatives. As a local community organizer, my service as President of the Palm Springs Gay Rodeo Corporation ([psrodeo.org](http://psrodeo.org)) shows my dedication to our local community, while my founding of CATWALK: The Campaign for a Walkable Downtown Cathedral City ([cccatwalk.org](http://cccatwalk.org)) reflects my belief that preservation is not just about maintaining the past but about creating a future that respects and incorporates our historical roots.

As a business owner of two local food service companies ([eatnicehass.com](http://eatnicehass.com); [catcitybread.com](http://catcitybread.com)), and as a principal agent in an insurance brokerage ([hoggeinsurance.com](http://hoggeinsurance.com)) with unique insight into protecting historic buildings, my business ventures have deepened my connection to the local community and underscore my belief in the importance of cultural and economic vitality. I understand the challenges and opportunities that come with preserving our city's heritage while fostering a thriving community, and I am committed to balancing these needs through thoughtful leadership and collaboration.

I am excited about the opportunity to serve on the Cathedral City Historic Preservation Committee. My diverse experiences, coupled with a deep-seated passion for history and architecture, position me as a dedicated advocate for our city's heritage. I look forward to the possibility of contributing to the committee's efforts and fostering a greater sense of pride and connection among Cathedral City residents through the preservation of our collective history.

Sincerely,

Eri Nox
