I have previously served on the Mobile Home Commission here in Cathedral City, and when I was a resident of Rancho Mirage, I served on that city's Historic Preservation Commission. Given my 23 years here in the Coachella Valley, I am familiar with the historic nature of the Valley's architecture. I've done a lot of work with Modernism Week, and Preservation Mirage and other organizations dedicated to historic preservation. My experience with the Rancho Mirage commission has given me the tools and qualifications to serve in an effective manner. I enjoy working with the City staff, and always strive to be of service to Cathedral City.

My wife and I have owned our home here for the last 8 years and we're always looking for ways to help.

Thank you,
Patrick
