B. **Social Media Strategic Plan Update**

Recommendation: This item is presented for information, discussion, and direction only.

Ryan Hunt, Communications and Events Manager, provided an update on the Social Media Strategic Plan. The following points were presented:

- Previous Platforms and Process
- New Strategy
- Cathedral City Voice
- Legal Process
- Platform Focus
- Your Storytellers
- Community Engagement

There was discussion among the City Council Members and staff. This item was a presentation only, there was no formal action required or taken.

C. **Sphere of Influence Fiscal Impact Analysis Update**

Recommendation: This item is for information and discussion only, no formal action will be taken.

Andrew Firestine, Community and Economic Development Director, provided an update on the Sphere of Influence Fiscal Impact Analysis. He indicated that since the April 2024 presentation to the City Council, infrastructure deficiencies in the sphere of influence have become clearer, notably with the Imperial Irrigation District (IID) and the availability of electrical service. He noted that the IID serves areas in the City's sphere of influence east of Bob Hope Drive and that they have expressed to prospective developers in its service area, including those in unincorporated Riverside County and in the cities of Rancho Mirage and Palm Desert, that it will not issue will-serve letters for new projects without the construction of new electrical substations to add new capacity to the service area. Individual projects are being conditioned to implement these substations at an average cost of \$20 to \$30 million. He stated that the cities of Rancho Mirage, Palm Desert and Riverside County are working in partnership with IID and five other entities to bring a 100MVA substation to Thousand Palms that would serve the area, including IID service areas within Rancho Mirage and Palm Desert. Both the cities of Rancho Mirage and Palm Desert are financially contributing to the project at a rate of over \$5 million per city. These agreements are currently being executed, including the payment of deposits, that would allow IID to order the long lead items needed. He stated that it is estimated that the substation is 24 to 30 months out from the date that the multi-party agreement is executed. Mr. Firestine indicated that he will continue to update the City Council as information becomes available.

The City Council asked clarifying questions, which were responded to by staff. This was a presentation only, there was no formal action taken by the City Council.

6. **DISCUSSION ON FUTURE AGENDA ITEMS**

There was no discussion on future agenda items.

7. **CLOSED SESSION**

There were no Closed Session items.

ADJOURNMENT

Mayor Mark Carnevale adjourned the City Council Meeting at 6:55 pm

Mayor, City of Cathedral City

City Clerk, City of Cathedral City
