**Notes:**

**Projects Approved or Under Consideration (PUC)** - Projects that are being considered by the PAC or approved by the PAC

**The Art in Public Places Funds is NOT automatically replenished.** The Art in Public Places fund receives additional dollars only when qualifying development triggers contribution requirements. The City does not control when qualifying development occurs. For all new commercial and industrial projects over 15,000 square feet; remodels/repair/reconstruction of existing commercial and industrial with a building permit value of over \$100,000.00 (except for Acts of God); and some public facilities over 15,000 square feet are required install public art. The developer may opt to contribute funds to the “art in public places fund” established pursuant to Section 11.45.130 equal to one percent of ninety percent of the total project valuation. The in lieu fee shall be paid by the project applicant at the time of the issuance of a certificate of occupancy. Project applicants shall indicate on their building permit application that they wish to make an in lieu contribution. (Ord. 538 § 3, 2001). Please see Cathedral City Municipal Code Section 11.45.030 for more detail. End of fiscal year balance becomes the beginning of the year fund balance for the next fiscal year.
