3. **STUDY SESSION**

- A. **City Entryway Monument Subcommittee Report and Public Arts Commission Recommendations**

John Corella, Director of Public Works, provided an overview on the City Entryway Monument subcommittee report and the Public Arts Commission recommendations. The following points were presented:

- Background of Mayor Pro Tem Ross' idea of a standardized entryway monument concept
- Public Art Entryway Examples
- Wayfinding Sign Program
- Mountain Cathedrals Entryway Piece
- Proposed New Entryway Monument
- Relocating Existing Art Pieces
- Installation of New Monument Pieces
- Recommendation:
 - Accepting this proposal as the new entryway monument and foregoing further need to conduct a monument entryway study; or
 - Conducting a more formal entryway monument study and include this as a recommendation and include in the upcoming FY budget; or
 - Confirming whether the Council wishes to continue to use the current entryway monument identified in the 2016 Wayfinding Sign Program, and reaffirm budgeting for additional monuments in future FY budgets

The City Council provided their feedback related to branding, relocating art, wayfinding signage and proposed entryway pieces. They asked clarifying questions, which were responded to by staff.

It was the consensus of the Council to move forward with accepting this proposal as the new entryway monument and foregoing further need to conduct a monument entryway study. Staff will research any licensing issues, alternative materials and other factors in order for the Council to make an informed decision on entry pieces in the future.

This was a presentation for information and direction only, there was no formal action taken by the City Council.

B. Residential Parking – An Assessment of Zoning Regulations and On-Street Parking

Andrew Firestone, Community and Economic Development Director, and John Corella, Director of Public Works, provided an overview on their assessment of zoning regulations and on-street parking. They provided the following recommendations:

- Initiating amendments to the Cathedral City Municipal Code to
 1. Prohibit parking in front of a mailbox;
 2. Increase or eliminate the driveway width standard; and
 3. Allow a greater percentage of a front yard to be improved as a driveway or open parking area
- Implement pilot program for street sweeping notifications and observe results

The City Council provided their feedback and asked clarifying questions, which were responded to by staff. It was the consensus of the City Council to support

staff's recommendation. Staff will prepare a draft ordinance based on the discussion by the City Council to bring back to a future meeting for consideration.

This was a presentation for information and direction only, there was no formal action taken by the City Council.
